

## DISCOVER ORGANIC FARM & BOTANICAL SEMINARS (6 days pack)

Come and experience with us the beauties of the traditional lifestyle in Greece, going on relaxing excursions following the routes of bio-cultivation in the Western Greece which will give you the opportunity to learn how biological products are produced & enjoy and taste the delicious products of our area.

<u> $1^{st}$  day</u>: Arrival at the airport and transfer to the accommodation. Set up in the overnight unit, where a warm welcome will be held with a bottle of local organic wine await you.

<u> $2^{nd}$  day</u>: 'Overwhelming day'. Inside the 50 vineyards of the KAPOTIS farm is installed and operates a modern winery, a wine cellar and a bottling unit for bottling wines. Tasting wonderful organic wines, with the opportunity of buying organic wines directly from the producer. A lunch will follow

with organic products & organic wines in the farm. There's also the opportunity of hiking in a all green route at the shores of river Nisa.

<u>**3**<sup>rd</sup> day:</u> Visit to local olive farms, an olive press, a bottling plant for organic olive oil, a processing unit for organic olives, combined with tasting. You will learn everything about the olive tree. Cultivation without the use of chemicals, picking up the

olives with the hands, producing cold-pressed olive oil, standardizing and packaging the products. It is also possible to buy organic olives and olive oil directly from the producers. At the same time, guests will participate in a **cooking lesson** based on olive products. Renowned Greek chefs, they unite their culinary experiences and tastes with the recipes of the mother & grandmother of the hosts in order to inspire you in the secrets of authentic & unique culinary pleasures in the exciting world of local cooking. The day will be closed with dinner with the food that will be prepared in the cooking lesson and with local organic wines <u>4<sup>th</sup> day:</u> Visit to organic farms where Citrus fruits, Kiwi, Vegetables etc. are grown. The knowledge and the

incredible taste of organic fruits and vegetables await you.

At the same time, a **seminar on** 

**Botanology** will take place, in which we will examine the valuable and multidimensional value of Mediterranean plants

in theory and practice. We will deepen the philosophical, botanical and pharmaceutical aspects of Mediterranean plants and prepare an excellent ointment that our ancestors use for centuries to burn and wound, enriched with the new knowledge of modern cosmetology. During the seminar, we enjoy "Ef Zin", the welfare of Epikouros and Alexander the Great, enjoying flavors and aromas of Greek herbs.

 $5^{\text{th}}$  day: Visit - sightseeing in Messolonghi, the unique natural beauty of Lagoon and the archaeological sites of the area. In the evening a farewell party with B.B.Q with Greek music.
